

# Tomasello Winery 2011 Outer Coastal Plain Riesling

## Summary:

**Terroir:** The Outer Coastal Plain AVA runs from Princeton east toward Freehold and down to the tip of Cape May. It is characterized by sandy loam soil with a 6 to 8 foot deep clay bottom which promotes good drainage. Degree days are one degree day less than Rutherford in California which promotes wines of moderate alcohol and hence approachability as a food wines. The Outer Coastal Plain is no more than 35 miles from the Atlantic Ocean which results in a maritime influence on the vines.

**Vinification:** Harvested from our OCP vineyard on October 14, 2011 at a 20.9 brix with a t/a of 6.9 this Riesling was fermented to dryness using a yeast isolated from the Rhone. This yeast promotes a fresh fruit focused characteristics . Fined dry
